

SHERIFF SPORT

RUGBY

With the strong wind and tough conditions , Lawrence Sheriff made a very explosive start to the game , with myself, Rory Carroll and Ollie O'Sullivan all scoring for Sheriff . After changes from Ashlawn they looked like a different team. The first third ending 3-0, the second third started and a quick try from Ashlawn gave them energy . Another try broke through our defence and more changes from Ashlawn gave them fresh players . And a well-deserved try for Ashlawn came after many phases of play .

A break from Oscar Searle carrying a few defenders with him lead to a try at the end of the second third . At the start of the third 1/3 Sheriff found their feet again and great passing and patience almost lead to another try but unfortunately

possession turned over .

Strong attacking power lead to a great try by the Ashlawn winger , and another try followed for Ashlawn. But with Sheriff holding their head the game ended 6 tries to 4 to Ashlawn .Man of the match from me goes to Feranmi Aremu for his consistent effort on and off the pitch and proved himself to be a key part of our team. Final score:

20 - 30 Ashlawn

OUTSIDE OF SCHOOL

James Arram - Year 11 Squash

The U17's had 7 players with James seeded 2. It was a knockout competition and his first 2 games were quite easy. The final was against the number 1 seed Anuj, James had already beaten him in the U19's so he was up for revenge and had the county coach in his corner. James had our club coach in his corner. James had to come back having lost the first game and really dug in. The match was hard fought, Anuj was using crowding tactics and tried to put James off his game and this helped get the crowd on to James' side. James won after a full 5 game match finishing around 6.15. The U19's had 6 players, all having to play each other. The number 1 seed Simon Herbert is a full-time professional, England Squash ranked 16 in the U19's, so no one was going to win that match. The only players from younger age groups were James & Anuj. James lost to Simon as expected then won his next 2 matches and then played the U17 final. By now he had played in total 5 games that day and 2 on the previous day. He was running second having only lost the one match and not dropped any games in the other matches. Everyone else had lost

at least 2 matches and lost games in the matches they won, except for Simon of course. Immediately after the U17 final, he had to play his remaining U19 match. His opponent, Oscar, had only played 2 matches that day and 2 on the previous day. James tried hard, he won the first game but exhaustion finally set in and he lost. That meant he had lost 2 matches, although game difference was in his favour the fact he lost that match meant he came third and Oscar second.

James has now been asked to lead the U17's inter-county team and play in the U19's inter-county team.

Leicester County Squash

Matt O'Connor—Year 12

Matthew O'Connor in Year 12 has been working extremely hard over the past year and has managed to retain his place in the Wasps Under 17's academy side where he has now been playing for just over a year. I huge congratulations to Matt for keeping his place in a tough side with lots of competition for the starting spots. If you don't already know Matt, he

is an extremely dedicated Year 12 who plays rugby for Wasps Academy as well as one of our local teams, Old Laurentians, where he has now been playing for the best part of 10 years. Matts hard work over the past years is seeming to have paid off now he has been kept on at Wasps for hopefully another season of high quality rugby playing and endless opportunities. Well done Matt!

Harry Lummis, Year 12

Old Laurentian RFC Colts

The local Old Laurentian Colts team is made up of a number of LSS Year 12s with the likes of Matt O'Connor and Toby Corrigan playing in the team. Up until this match away at Old Leamingtonians, Old Laurentian Colts were top of the table after winning their first two games of the season

Old Leams were first out of the blocks in this top of the table encounter. Old Laurents were up for the challenge and responded well and were first to score after the Old Leams dog-legged defensive line was breached, 0-7 to the away team. The match was an even battle with Old Leams having their opportunities but were unable to convert the territory into points. Half time came very quickly with neither team

gaining the upper hand.

The second half was another tense affair and there was a sense that it would be a low scoring game and one in which Old Leams needed the next score - this duly happened when the Old Leams 2nd row bundled his way over the line after some impressive pick and go's from the Old Leams pack, the conversion is missed and the score goes to 5-7. Several penalties were awarded to each team as high tackles and hands in the ruck were penalised but the windy conditions made kicking for goal difficult so the score board did not move. The usual handbags then took place between the second rows from both teams but no cards issued and the incident was well refereed. Then Old Leams had possibly the best backs move of the game - with simple hands, Old Leams, with the inclusion of full back Evans joining the line, allowed space for winger Dom to fly over in the corner, 10-7 now to the home team. Old Leams then had a chance to increase the lead late on with a penalty - but the Fly Half just pushed it wide of the posts and the final score remained 10-7. A close one but a hard fought victory to Old Leams.

Final Score: Old Leams 10-7

Old Leamingtonians RFC

Very close yet disappointing result for Old Laurentians who unfortunately had their win streak ended by this defeat.
