Dixie Grammar vs LSS Year 11/12

This was an even affair, where the sheriff boys were unlucky to not come away with the victory. Dixie Grammar opened the scoring early in the first half when the striker found himself through on goal after a tidy passing spell on the counter attack and the striker squares it to the other attacker who has an empty net to score into.

The sheriff boys fought well to try and get back into the game with chances from Lewis Holmes, Jermaine Owusu and Dan Farrow. But a few stops from the Dixie Grammar keeper and defence allowed the hosts to go into the first half with the lead.

The second half started with chances for both sides but Sheriff equalised with a wonder goal from Kit Moysen from 30 yards out right into the top right of the goal. Good saves from both Sheriff keepers Lewis Coward and Alex Skidmore kept the scoring all square.

The visitors thought they had the lead when Jermaine Owusu crossed in a beautiful ball to a Chris Russell volley but the goal was ruled out due to the offside flag being raised. The goal eventually came for sheriff five

minutes from the end where some tenacious pressing from Jermaine Owusu led to a mistake from the defender and that's where the skipper, Lewis Holmes took advantage with a precise finish into the bottom left hand corner giving sheriff a 2-1 lead.

But two minutes later, Dixie Grammar equalised from a corner where Alex Skidmore the goalkeeper was fouled so the Dixie Grammar player could score into an open net. The match resulted in a draw.

Final score—2-2 Draw

Lewis Holmes, Year 12 Football Captain

RUGBY

The game began with the toss between the two captains and Princethorpe won and elected to kick. The kick off was deep into the 22 and claimed well by Harry Butler who charged up to the half way line with a great carry. Tom Scott Brown was running the show at 10 and identified an overlap straight away and Sheriff shipped the ball wide and created space for winger Tobi Okunuga. Tobi put on some foot work and Sheriff got within striking distance. There were some great pick and goes from forwards such as Vroshan and Jake, but the try went to Josh Hope who identified space and used his pace and power to crash over the line. Ammon sadly missed the conversion, but Sheriff were up by 5.

The next kick off had the same result as

Harry, yet again, charged at the Princethorpe line and broke tackles. This time he managed to get the offload away and Isaac ran down the pitch to find fellow forward Jake with a pop pass on the inside. This link up between the forwards had exploited the fringes once again and Tom Scott Brown was able to capitalise and grubbered the ball through to 7 metres out from the Princethorpe line. Of the line out Will Browne intercepted the pass and he almost scored but sadly it was a double movement. Princethorpe kicked to touch and got a lineout but yet again Will Browne pounced, and this time unselfishly passed to Jake who trotted over for the second try of the game under the sticks. Ammon was successful with this kick and Sheriff were up 12-0.

After two great carries of kick off from Harry Butler Princethorpe realised that they would have to change tactic and they went short. This was re-claimed by their winger and he got an off-load away and Princethorpe were marching down the pitch towards the Sheriff line. A great line break from their fullback left Sheriff exposed and he freed his winger and Princethorpe got their first try.

The response from Sheriff was fantastic, from kick off Vroshan put in a fantastic tackle and forced a knock on. From a scrum in the Princethorpe 22 the backs showed their quality and Tobi went over in the corner. Ammon was unable to get the conversion, but Sheriff were up 17-7 and it was half time.

Half time brought around subs and there were some brilliant contributions from the subs. Players such as Harry Hillman and Sam Middlemiss put in exceptional tackles and

showed their class. Princethorpe started going through the phases and earned a penalty in the Sheriff half for a high tackle from one of the Sheriff lads. They drilled it into the corner and a well set up driving maul resulted with a second score for the home team. They slotted the conversion and it was 17-14.

Princethorpe were on the charge but Sheriff managed to score again through Harry Butler who cut a great line of Oli Carrington to score. Ammon was unable to convert but Sheriff were up 22-14 and it seemed that they would be able to close out the half. Then out of nowhere a bit of individual brilliance from the Princethorpe outside centre led to him scoring a try and the game was once again close at 22-19. Princethorpe missed the conversion and Sheriff had 3 minutes to hold them out.

Princethorpe received the kick off and Alex Mcausland along with Harry Hillman put in a great two man hit on the Princethorpe player. Princethorpe knew time was against them and their outside centre put in another excellent play and managed to cut through or backs with his footwork. Tim Cort then made the tackle and Isaac got over the ball and earned a penalty. Sheriff had won 22-19. It had been a great game and both teams stuck at it, but Sheriff had the extra edge that enabled them to win the game. Overall it was a strong game from the boys and hopefully we will be able to continue this good form.

Final Score - 22-19 to Sheriff!

Isaac Kayada, Year 11 Rugby Captain
