RUGBY

This was the u15 first game of the NatWest cup and with minimal preparations they exceeded many people's expectations. The u15 did not have much training and have only had one game in the last year so having King Henry's as their first game was a very tough start as they were a very strong opposition. We travelled to King Henry's School with a squad of 18 and everyone played exceptionally well especially our 2 man of the matches Archie Small and Santos Fernandes. With tries from Scott Hendry, Santos Fernandes, Luca Chohan, Toby Slay, Finn Conway and Archie Small the game ended with only one point separating both teams which for their first game in a while was a great result.

In the first half we received the ball from kick off and there were immediate problems within the first 10 minutes Henry's had scored 2 tries in quick succession. Luckily for us we grew into the game and we formed a good line of defence with some great tackles from people like Sam Childerhouse, Lewis Spence and Archie Small. It wasn't until midway through the first half where Toby slay ran down the wing past there defence to score our first try. From there we were

competing with them and looked like the stronger side, we were dominating most of possession and with tries from Santos and Scott we went into half time trailing by 5 points with a score of 20-15.

In the second half we were very dominant and had very good phases especially in there half with some good carries from Teghveer Takhar and Nana Owusu-Kumi we were looking likely to score many tries. With some good handling from the forwards and the backs Luca Chohan made a break through their defence to score for our 4th try. With some great running from an 8 pickup Archie managed to score our 5th try of the game and the score was 27-32 to King Henry's. After conceding a late penalty they opted for the 3 points and the score was now 27-35. With some good rooking from Scott Haywood, Tom Townsend and Sam Childerhouse we were able to score our final try in the corner scored by Finn Conway, and with the try being converted the score was 34-35. Unfortunately that was the end of the game but a very good performance from the u15s.

Finn Conway, Year 10 Captain

FOOTBALL FOOTBALL

On Thursday Lawrence Sheriff hosted Avon Valley. Early on Lawrence Sheriff conceded a penalty which was nicely put away by their centre forward. Despite being 1-0 down Nathaniel Knight-Robinson scored a toe poke which rolled into the near corner. Soon after Nathaniel struck again with a beautifully crafted run that ended with him slipping the ball past the outstretched right hand of the goalkeeper. With Sheriff 2-1 up the half-time whistle blew. Despite Lawrence Sheriff making some changes they began with high intensity and were rewarded with Nathaniel scoring his hat-trick after Jake Thornton slipping the ball around the goalkeeper for Nathaniel to walk the ball into the empty net. After some high pressure from Avon Valley Jake provided some magnificent skill from Zach's great through ball to assist's Edward Thomas's easy finish to the near post. Jake then quickly scored two more excellent goals which were assisted by Blessing and Ariyan. After a triumphant success in Lawrence Sheriff's first U13 football match Zach was nominated man of the match after his quality assist and superb tackling to deny Avon Valley's skilful striker.

Ed Thomas, Year 8 Football Captain

Year 7 had a friendly football match against RFS (Rugby FREE School) .

It was a good game and we kept our focus during the second half of the game, which is one of the reasons why we won 12-0. We maintained possession throughout the game and handled situations intelligently and with: communication, clinical finishing and good team work we secured the 3 points. Our strikers played their role by not only finishing but by holding the ball up and linking up neatly with the midfield. In particular Tom did the especially well which earned him MOTM (along with the superb hat-trick).

Jake Thornton, Year 7 Captain

OUTSIDE OF SCHOOL

Old Laurentian Colts

Another resounding win for the Old Laurentian's, with stand-out performances from Lawrence Sheriff pupils Matthew O'Connor, Toby Corrigan, Harry Lummis, and man of the match debutant James Law. After a period of sustained attack from Earlsdon, OL's turned the game on its' head with their first real sight of possession, Corrigan and Spears combining for a try under the sticks. From this point onwards, the floodgates opened for the OL's to score 3 more unopposed tries. But the best was yet to come. A messy clearance kick from the Earlsdon fly half when under pressure was delightfully taken by winger Harry Lummis just over the half way line, who took the ball up 10 metres, only to unleash a criminal dummy, sending 3 men the wrong way and splitting the defence like the red sea. Lummis offloaded well before contact to find George Lee, who

offloaded to Toby Corrigan, whose quick hands found Harry Spears racing over for the try of the game. 2 more tries were scored before the subs came on, when the game slowed down to reveal a huge defensive performance. Big hits from new boy James Law lead to an injury on the opposition prop, which caused the ref to call the game early, the game ending 43-0 to the OLs.

Toby Corrigan, Year 12

OUTSIDE OF SCHOOL EXTRA NEWS

Sam Byrd (Year 7) was first junior (under 13, he is 11) at the Pinnel and Bax Northampton youth series sailing series. This takes place over 4 events at 4 different sailing clubs. Sam was second overall in his class including much older boys and girls. His name will go on the perpetual trophy which includes a current Olympic and world champion sailor who took part in the Rio 2016 games!

Well done to Sam for this fantastic achievement outside of school.

Sam Byrd, Year 7

I would like to highlight the achievements of our top performing sportspeople in the school by creating a 'wall of fame' to include any student who competes at County level and above.

If you compete for your County (e.g Warwickshire), Regional (e.g West Midlands), National (e.g England), or perhaps even internationally (e.g Great Britain) then please supply an appropriate photo of yourself, ideally in your representative sporting kit or an action shot and that you would like to be displayed in school, complete with a brief summary of the level you compete at to Mr Orford in PE.

Thanks, Mr Orford
