COMMITTEE UPDATE

We hope this newsletter will be a regular termly feature to keep you updated with events that have taken place over the previous term as well as what to expect over the coming year.

Firstly we would like to thank those who attended our AGM in October, and we recruited 3 new members to the committee this year.

We have a WhatsApp group for parents who would like to get involved/find out more about the PA. So if you would like to join please drop us an email to be added to the group.

We are delighted to be able to make such a positive impact on the school community and provide exciting opportunities for our children. Our aim is to enhance their learning experience and encourage them to develop a love for education. We couldn't have done this without your help, we are so grateful!

FUNDRAISING UPDATE

This term we started off the the new school year welcoming the year 7 families at the Hart Field sports event.

In October we held our clothing collection, it was great to see so many families support this, and we hope to hold these quarterly going forward.

We have also been attending the parent consultation evenings offering refreshments to families present.

Finally last week we attended the Christmas Concert, where we provided refreshments and enjoyed an amazing festive performance!

With the above we raised around £1800 !!

As well as raising funds, this term we have supported school with :

- Music Dept Tuba
- Art Dept 2 Cameras
- Psychology Dept Police Interviewing Workshop
- Plus more funding requests expected next term...
